 - They did not like drawing
 - They had no crayons at all
- What quality of Badal is shown when he brings the shivering puppy home? (1 Mark)
 - Carelessness
 - Kindness and compassion
 - Fear
 - Laziness
- What condition did Badal's mother set before allowing him to keep the puppy? (1 Mark)
 - He must sell it later
 - He must promise to take care of it
 - He must give it away in a week
 - She set no condition
- How does the story "Badal and Moti" show that animals can be loyal to humans? (1 Mark)
 - Moti runs away when Badal is in trouble
 - Moti helps find Badal when he is stuck in a pit
 - Moti ignores Badal completely
 - Moti is scared of Badal
- In "Best Friends", what mistake do the four shapes make at the start of their argument? (1 Mark)
 - They forget their own names
 - They focus only on their own good points and ignore others'
 - They stop talking to each other forever
 - They decide to become one shape
- Which shape claims to be the best because of its equal sides? (1 Mark)
 - Circle
 - Square
 - Cloud
 - Star
- What does the ending of "Best Friends" suggest about differences between people (or shapes)? (1 Mark)
 - Differences should cause permanent fights
 - Differences can be valued instead of causing conflict
 - Only one type should exist
 - Differences do not matter at all
- Which word best describes the change in the shapes' relationship by the end of the story? (1 Mark)
 - Broken
 - Reconciled (made up)
 - Unchanged
 - Worsened
- What is a common theme shared by both "Colours" and "Best Friends"? (1 Mark)

 - Both are about cooperating instead of being selfish or competitive
 - Both are about travelling
 - Both are about cooking

SECTION B — Short Answer Questions (2 Marks each)

- Explain how the ending of "Colours" might have been different if the children had refused to share. (0 Marks)
- What character traits does Badal show throughout the story "Badal and Moti"? Give examples. (0 Marks)
- Why do you think the story specifically uses a dog (Moti) to show loyalty, rather than another animal? (0 Marks)
- Explain the sequence of events that led to Badal being rescued from the pit. (0 Marks)
- How does the author use each shape's unique property (like round or equal-sided) to build their argument in "Best Friends"? (0 Marks)
- What role does the star play in resolving the conflict in "Best Friends"? (0 Marks)
- Do you think the four shapes' friendship became stronger after their disagreement? Explain your answer. (0 Marks)
- Explain why sharing is described as a value worth learning at a young age, based on the story "Colours". (0 Marks)
- What can readers learn about friendship from comparing Badal and Moti's relationship with the four shapes' relationship in "Best Friends"? (0 Marks)

10. Why might the author have chosen a rainy day for Badal's accident in the story? *(0 Marks)*
11. Explain the importance of promises in the story "Badal and Moti", using the mother's condition as an example. *(0 Marks)*
12. How would the story "Best Friends" be different if only two shapes were arguing instead of four? *(0 Marks)*
13. What does the phrase "best friends" mean to you, based on what you read in the chapter? *(0 Marks)*
14. Explain one way children can apply the lesson from "Colours" in their daily school life. *(0 Marks)*

SECTION C — Short Answer Questions (Explain) (3 Marks each)

1. Analyse how the story "Badal and Moti" builds up its emotional impact, from Badal finding the puppy to Moti helping rescue him. *(0 Marks)*
2. Explain how each shape's argument in "Best Friends" reveals something about their personality, not just their appearance. *(0 Marks)*
3. Discuss what "Colours" teaches about cooperation being better than working alone, using specific reasoning from the story. *(0 Marks)*
4. Evaluate whether the ending of "Best Friends" fully resolves the shapes' disagreement, or if some tension might remain. Explain your reasoning. *(0 Marks)*
5. Discuss how the theme of loyalty in "Badal and Moti" might apply to human friendships as well as the human-animal bond shown in the story. *(0 Marks)*
6. Compare and contrast the ways conflict is resolved in "Best Friends" (an argument between shapes) versus how a difficult situation is resolved in "Badal and Moti" (Badal being stuck in a pit). *(0 Marks)*

SECTION D — Long Answer Questions (5 Marks each)

1. Write a detailed paragraph explaining what all three chapters (Colours, Badal and Moti, Best Friends) teach us about getting along with others, using specific examples from each story. *(0 Marks)*
2. Imagine the four shapes from "Best Friends" meet Badal and Moti. Write a short imaginative story (5-6 sentences) about what they might learn from each other. *(0 Marks)*
3. Write about a disagreement you have had with a friend, similar to the shapes in "Best Friends", and explain how it was resolved (or how you think it should have been resolved). *(0 Marks)*
