Syllabus: Chapters 1–3 — Living Together, Exploring Our Neighbourhood, Nature Trail

General Instructions: All questions are compulsory. For Section A, write the correct option letter.

SECTION A — Multiple Choice Questions (1 Mark each)

1. Why are humans described as "social beings"? (1 Mark)

- A. They live completely alone
- C. They avoid all other people

- B. They naturally live and work together in groups and communities
- D. They cannot form relationships

2. Which of these is an example of a community role that helps maintain social harmony? (1 Mark)

- A. Ignoring neighbours
- C. Refusing to help others

- B. A leader or elder helping resolve disagreements fairly
- D. Avoiding all community events

3. What does "exploring our neighbourhood" mainly involve? (1 Mark)

- A. Staying indoors all day
- C. Ignoring your surroundings

- B. Observing streets, buildings, parks, and other features nearby
- D. Only looking at maps online

4. Which of these is a type of transportation you might observe in your neighbourhood? (1 Mark)

- A. A bus
- C. A tree

- B. A cloud
- D. A river

5. What is a "nature trail"? (1 Mark)

- A. A busy shopping street
- C. A type of building

- B. A path through a natural area used to observe plants and animals
- D. A kind of vehicle

6. On a nature trail, what might you observe? (1 Mark)

- A. Trees, insects, and birds
- C. Only buildings

- B. Only cars
- D. Nothing at all

7. Why is it useful to map your neighbourhood? (1 Mark)

- A. Maps are not useful
- C. Maps only show oceans

- B. Maps help us understand and remember the layout of a place clearly
- D. Maps confuse people

8. Which of these is an example of a family structure? (1 Mark)

- A. A single-parent family
- C. A kind of vehicle

- B. A type of building
- D. A nature trail

SECTION B — Short Answer Questions (2 Marks each)

1. Why is it important for a community to have people playing different roles (like teachers, shopkeepers, doctors)? (0 Marks)

2. Name two different types of family structures. (0 Marks)

3. What kinds of buildings might you find while exploring your neighbourhood? (0 Marks)

4. Why is observing your surroundings carefully an important skill? (0 Marks)

5. Name two ways humans have changed or modified their natural surroundings. (0 Marks)

6. What might you see or hear while walking along a nature trail? (0 Marks)

7. Why is it important to be quiet and observant while on a nature trail? (0 Marks)

8. How can different community members help each other during difficult times? (0 Marks)

9. Name two forms of transportation you might see in a busy neighbourhood. (0 Marks)

10. What is the difference between a "family" and a "community"? (0 Marks)

SECTION C — Short Answer Questions (Explain) (3 Marks each)

1. Explain why humans are considered social beings, using examples from daily life. (0 Marks)

2. Describe the process you might follow to explore and map your neighbourhood. *(0 Marks)*
3. Explain why a nature trail can teach us more about the environment than simply reading about it in a book. *(0 Marks)*
4. Describe how different types of families can still share the same values, even if their structures are different. *(0 Marks)*

SECTION D — Long Answer Questions (5 Marks each)

1. Write a detailed description of your own neighbourhood, including the types of buildings, transportation, and community members you observe. Explain what this tells you about the people who live there. *(0 Marks)*
2. Imagine you are going on a nature trail near your home or school. Describe what you might see, hear, and learn during this walk, and explain why this experience would be valuable. *(0 Marks)*
